One of the prettiest little acreages on the market and a must to view. In addition to the 1/4 acre spring fed pond there is a \$25K driveway that has been installed which rises up to a CA approved building envelope and a view out over Georgian Bay on a clear spring day. Or you can view to the hills and valleys of the multi million dollar estates to the rear of the property. No need to fight for 2 years for permits on this gem. When you view it take time to check out the fish in the pond and envision some winter pond hockey and located within 20 minutes of all the provinces finest golf courses, ski hills, Wasaga Beach and the best shopping and dining the area has to offer.
